Jeff's Family-give them strength Posted by Dead - 2009/07/11 17:00 I lost my mother to cancer several years ago. She was great. She would drive me around to all the toy shops in town trying to find those hard to get Star Wars and J.I. Joe figures during the 1980's. She was great!

I am sorry for your loss Jeff and Jeff's family.

Jeff and Family,
My family and I will keep you folks in our thoughts. It sounds like this was a really cool lady and that you folks were fortunate to have her in your lives.

Echo the thoughts and prayers to you and your family, a loss is always tough.
On a side note, I'm kind of glad to hear of other people who play Pitch, that is a great card game!
