_____

Addressed to the DF community,

Please try to understand If Jeff is not available for the next few days, he may be in and out due to tragic family obligations. Especially Lori will need him in this time.

Thank you all for your patience this week with slow order shipment and slow replies. Lori's mother (and the best mother-in-law ever!) died suddenly on July 4th in a very rural area many hours drive from our home.

She was an awesome mother-in-law, and she was the best card gamer I ever saw! Things just won't be the same without her. She was my best Pitch partner and my biggest cheerleader -- with much of my success due to her unflinching support of all my crazy ideas.

God, what a lady.

I lost my mother to cancer several years ago. She was great. She would drive me around to all the toy shops in town trying to find those hard to get Star Wars and J.I. Joe figures during the 1980's. She was great!

I am sorry for your loss Jeff and Jeff's family.

A little tardy in responding to this notice... Still,

Jeff and Family,

My family and I will keep you folks in our thoughts. It sounds like this was a really cool lady and that you folks were fortunate to have her in your lives.

maj!

Echo the thoughts and prayers to you and your family, a loss is always tough.

On a side note, I'm kind of glad to hear of other people who play Pitch, that is a great card game!
