The battle begins

Posted by maxwell - 2006/09/27 17:38

_____

A lone soldier of good looks out at the carnage below

The witch queens of doodoo begin there unholy chant

Lord big axe commands his troops to attack

The giants from the bigtime mountains begin there attack

The undead cavalry begin there attack

mr bigwings and his sidekick the ugly one observe the action

Flames erupt as the spellcasters enter the fray

The multicolored army of castle good guys begins there attack

The southern edge of battle

Fire cannons!!

Good guy assault troops prepare to attack

A very very heavy armored super duper assualt trooper prepares to attack

Look out demons

Oooo I am scared

The battle in the forest..and the forest has picked sides

_____

Where did you get the Castle Wall pieces? I am looking for something like this. I run a convention every year, and would love to get a hold of or make something like this to go along with what I have for Dwarven Forge pieces.

Gary
