_____

More Sets Coming in August!!!

We are expecting another container order in August, and it should have the following sets:

NEW Mystery Set (details and photos soon!)

Cavernous Lake Set (currently out of stock)

Cavern Set (currently out of stock)

Set of 4 Diagonal Walls (currently out of stock)

6" Long Passage (currently out of stock)

4" x 4" Cavern Floors (currently out of stock)

(We will also get in re-stocks of some popular sets to avoid them going out of stock in the Fall.)

More individual pieces is always good news !

Any idea on the pricing for singles and diagonals yet ?

I would love to see the new doors from the fantasy starter
set sold as a single some day :)

When we will get a short passages set re-issue? Without it the R&P set isn't close to as much use as it would otherwise be.

_____

Try building something with the DoE sets which have NO 6" Straight Hallway!!!!!

Very fustrating sometimes....How can we build THE LONG CORRIDOR OF DOOM????

_____

When will these be here?

I needs diagonal walls.

EDIT: Never mind, they are here, just no photo (which was confusing me). I assume these are without keystones?
