

Alpha Boxes (empty) ... Who wants 'em ??

Posted by Myrthe - 2006/09/12 20:46

Hi All -

Odd question here but I have two EMPTY Sci-Fi Alpha boxes with the styrofoam inserts. These are the full-color printed boxes.

Has anyone lost, maimed, crushed, crimped or saturated theirs and need replacements before I toss these ?

If you're in the USA (sorry rest of the world) I'd be happy to pass them on to you.
