Village skirmish
Posted by unclebelly - 2012/01/01 03:38

This is my first upload attmpt.
this setup was a confrontation game Griffin army vs Mid nor dwarves.
my plan was to set up a village using sets from classic dungeon and medieval building sets.
hope you enjoy the detail

thanks
 its really great the DF stuff is so useful in so many ways
as the village I included woodland scenics trees and some cool german stuff
for fences and such heres the setup with my daughter sky and rose and uncle Damien

Really nice setup! Loved the way you created the multiple levels using MBS sets -- great highlight.

Thanks for sharing and keep the pics coming!
