# Stuff for trade
Posted by Shadbelly - 2012/02/16 20:27

---

I'm going to list some items on ebay but before I do I was going to see if anyone on here would be interested in trading for them.
Stone farm house by MBA
http://www.miniaturebuildingauthority.com/proddetail.asp?prod=10121
29 assorted thomarillion and grendel pieces. Some primed, some half painted, some painted poorly. I really can't stand painting furniture so these are never going to get finished.
I'm interested in otherworld miniatures, 2nd edition AD&D stuff, and of course DF.
If interested contact me at shadbelly@live.com
