Love the pics and setups. You are extremely imaginitive, Tom! I really wish I could read French so I could read all of your captions.

Those are some lucky children to be able to play in such a wonderful setup.

Two quick questions:

(1) Where did you get those wonderful bunk beds?
(2) Where did you get those lovely little boats?

Thanks!

As Sorn has rightly said.. lucky kids. Lovely gaming room too. Looks like a great game. Great see youngsters enjoying roleplaying, and not stuck with thumbs twitching on a control paddle.

And yes, please do tell where did you get those bunk beds and boats? :)

Please keep your photos coming. Its always great to see what others are doing and help give me ideas for my own.

Thanks.

The boat in that thread is from a manufacturer in holland. There was a thread not long ago concerning ship/boat and there I posted the website.

Wonderful as always Tom!

For those interested, I've been talking about those boats in the following 2 threads:
http://www.dwarvenforge.com/forum?func=view&catid=10&id=41149
http://www.dwarvenforge.com/forum?func=view&catid=10&id=44396

Since we're talking about ships...

Sorn, would you mind telling us more about your own big kick ass boat you posted on Youtube, thinking I would not find out... ;-)
