Happy Gygax Day, now go kill some orcs!

As to the shirt...Don't forget us big guys!

I need a 3XL Tall for me, an adult large for my son and an adult small for my daughter.

I'm rambling and off topic but so be it. Now that the catacombs are a done deal how about getting on those sewers as well:) Gimme gimme gimme! Sorry, DF makes me feel like a kid sometimes.
