Gen Con Pictures
Posted by Stefan - 2012/08/23 21:25

_____

still recovering from Gen Con...Here was our Booth! Jeff Broemel, great Guy and long time DF Booth Manager seen in the front...on the table: Catacombs!

_____

Wish I could have been there. Instead I check the forum 5 times a day
for more catacomb pictures !!!!

Yep came by and spent money too bad every time I came by the booth this year, you were not in the booth. 9th Gen Con I have bought stuff from you starting back in the late 90's with the Deluxe room set.

_____

How many catacomb sets were used to build the catacomb in the picture here?

4-5 Catacomb sets (minus a bunch of freestanding walls and 4 lighted corners which were used in the giant setup)
