Welcome Back !!! Posted by Myrthe - 2007/01/26 11:08
I didn't realize how much I'd need a DF "fix" after a couple days of server troubles :D
And that was on top of waiting for the new MBS WA photos ;)
Glad you're back hopefully it was nothing catastrophic for you.

Ditto!
Now where are those MBS WA pictures????

The waiting for the hardware to come back online was the killer.
You didn't hear my screams down in Enfield? (btw, my in-laws used to live across the river in Suffield)

I did hear a strange howling followed by pitiful whimpers of "my precioussss !! my preciousssssssss !!!! That was you ?!!! :D
Small world, huh? Ever get back down to CT? Where is Shelborne Falls, BTW? I used to live in Northboro years ago.
