Museum of Dungeons & Dragons

Hello! We would like to introduce ourselves. We are Jim & Debbie Hunton, and we are opening the Museum of Dungeons & Dragons.

ALL of D&D's editions need to be preserved, and we will do that. We have a passion for the game that has lasted for decades. Jim started playing in the mid-1970's with the very Original game. Our personal collection is worth approximately one-quarter of a million dollars, and will be the founding collection of the museum.

We want this museum to belong to the gaming community, and to make it as accessible as possible for as many people as possible, we have chosen to allow you, the supporters, to choose the location.

We would appreciate your spreading the word, and giving a donation if you can. Remember, this belongs to all of us and needs your support.

We're happy to answer any questions, but a lot are already answered on our pledge page, and our blog, so check those out!
