_____

I raise a pint to salute your birthday and will listen to some BOC while I drink it!
I am also thinking you have 4 years to think of a righteous DF set to commemorate your 50th!

Happy Birthday, Stefan! Discovering DF was a magical moment for me. Thanks for the magic! You are very much appreciated! And may you keep producing beautiful DF sculptures for at least another 30 more years!

Thank you so much everyone!

Soon we will probably unleash our top secret project and we will call upon all DF fans powers to make it a success for it will benefit us all...we must spread the word at that time...we are almost there...it is a dream I have long dreamed...
