Hellscape 2 and Wicked Additions 3

The Wicked Additions set has some great stuff for use with Hellscape -- the fire most of all, but I like the prison cell, too. After all, Hell is pretty nasty for players, but a prison in Hell seems even more cruel. ;)

_____

That is one 'Flaming Hell' of a prison set-up you got there!

Love the Walls of fire and how you have used them.
- Would also love 'Walls of Larva' (hint hint)

Very nice use of the fire and prison with Hellscape 2. The lava fountains from the Fantasy Floor set might work with Hellscape also.
