Stefan really wants to do some black Tshirts with the logo on the front. I would imagine that we will have some for sale by June. We will add them to the shopping area, so you can put one in your Wish List!

We will also have them at both Origins and Gen Con.

You guys ever come to DragonCon here in Atlanta GA.? Our group is there but we mainly harrass Magic: The Addiction players and bemoan all the fat girls dressed as Elfs. We could help with your booth.

It would help keep MrMorden out of the dealers room and me away from the Kligon Partys. (Nothing good ever comes from those..... :lol:)
