## **Dwarven Forge - Dwarven Forge** Generated: 10 March, 2014, 02:38 WOOOOOT Thanks DF. Posted by KenM - 2009/03/27 19:17 I just got the Cavern set and a Den of Evil set today. First DF stuff I got in like 2 years. VERY nice. I have to buy more to catch up. Thanks for the fast order. One thing I would like to see is a couple of Den of Evil corner hall pieces done like the corner pieces from the trap set so you can put the traps from the set into the DoE. WOOOOOT Thanks DF. Posted by KenM - 2009/04/08 19:08 I just ordered two more sets today. I can't stop. I need help..... Like how to get more money to buy more DF. WOOOOT Thanks DF. Well those two sets I ordered are due today. I just checked the UPS tracking and found something funny. It got to my local UPS center to be put on the truck at 1:30 AM. But it departed the center before

that a minute later. LOL. Guy probibly waited to update everything until late.
