Hi all,

I've been a bit of a lurker on these forums for some time, so forgive one my first posts being an offer to sell off some of my collection. If this post is out of order, my apologies upfront.

In any case, I am unable to keep a decent portion of my collection, and before I try to sell it off to the masses on Ebay, I thought some of you might like want to give these sets a good home.

Cavern Set x2 Cavernous Passages Set x2 Ogres Den x1 Traps Set I x1 Traps Set II x2 Fantasy Floor Set x1 Fantasy Starter Set x1 Wicked Additions I x2 Wicked Additions II x2 Advanced Builder Set I x2 25 Diagonal Walls Set x1 15 Short Passages Set x1 Narrow Passages Set x1 Medieval Building Set x4 Den Of Evil Room And Passage Set x2 Miscellaneous Narrow Passage Pieces x75

These sets are lightly used and in great condition. I'm not listing prices and am willing to negotiate, especially if you are interested in multiple sets. Just send me an email re what you are interested in. I will be out of town until August 5th, but I will be checking email periodically.

Thanks for your time and happy dungeoneering!

I find it bad form to list any set that DF currently has in stock, but that's just me.

Sorry you have to let your collection go.

Hi I just wanted to say thanks to everyone who inquired or bought some of my sets. I'm glad to see the sets go to true DF fans. The rest is now on eBay. TTFN.
