JSING ROTA ENTRANCE WITH OTHER SETS??? Posted by dndgamer - 2009/12/17 16:56
Has anyone tried fitting/using the ROTA Entrance piece with the cavern or dungeon sets? I'm curious to know, and see, if the entrance piece goes well with the other sets I use for fantasy. Can anyone post a picture of what it would look like?
Γhanks.

tried it with my new sci fi sets and thought it looked pretty cool. Too lazy to post more pics at right now.
USING ROTA ENTRANCE WITH OTHER SETS??? Posted by dndgamer - 2009/12/17 21:05
That's good news, though. I wasn't even thinking about the entrance fitting with sci-fi but I'm glad to hear

That's good news, though. I wasn't even thinking about the entrance fitting with sci-fi but I'm glad to hear it! I hope someone let's us know how it works with a Fantasy set.
