

## Looking to trade trap sets maybe.....

Posted by jls304 - 2010/06/15 12:58

---

I have a brand new factory sealed traps 1 set that I would like to trade for a traps 2. I know it probably wont be sealed like mine but I would like it to be in like new condition. If I can't find any takers here I will probably sell it on ebay.

On a side note, if anyone wants to sell a traps II instead of trading that could work too.
