## Recent Play Test for upcoming game Posted by Shadox - 2012/08/14 18:58 is anyone else play testing? Just curious. Re:Recent Play Test for upcoming game Posted by Arcarius2001 - 2012/08/14 19:25 I have read through the first round of play test material but that's all. I was already in the process of

transitioning my group from Pathfinder to DCCRPG. It would have muddled the transition to begin a test

of the DnD Next rules. I liked what I saw but not as much as I like DCCRPG.
