

HOW TO UPDATE SHIP TO PROFILE

Posted by dndgamer - 2013/02/28 12:13

How can I update my "Ship To" profile which contains an old home address and email address but keeps showing up on my Packing List!

Jeff,

Can you help with this problem?

Can't you just click on "account" at the top right, then "account information", edit appropriate info and click save?

Yep, I've done that twice just before my last two orders and the packing slip stills shows an old address.
