

5 sets of Dungeon Grey SOLD OUT

Posted by Argentee - 2013/04/12 14:09

I was surprised to see this. Any chance of opening up another group of 5 sets of Dungeon Grey, but with say, a December ship date? That way people who want to pledge at that level still have a chance to.

300 additional sets were added to that pledge level. But don't wait.....
