Review request Posted by ^RIGOR^ - 2013/06/22 23:55	
Can anyone post a good review on the Tavern Accessories Set with some macro p	oics? Thank you!
Re:Review request Posted by Law - 2013/06/24 00:49	
I'm happy to do it this week at some point, if nobody else can get there first.

RIGOR give me till tonight I have work and need to dig through my things but I am pretty sure I have that set (I bought my sets from a local gaming store MANY years ago when they were still sold at retail)I know I have one of the Advanced builder sets just not sure which I just grabbed as many sets as they had lol. If I do I will post a review later tonight or tomorrow!
