Felt the same.

Time to start making some space in my hobby room. Before I know it I will have boxes and boxes arriving and nowhere to put them...

Happy and stressed.

Happy because it makes the event seem closer, but stressed because I am not as far along in clearing space as I wanted to be by now. :-)

LOL! I don't think I have ever read over my own address as many times as I did in that email to make SURE it was correct :-)

I had space cleared but it was filled up with den of evil & hellscapes

Now I have to clear more space

I have to say that I am happy, too... especially since I caught a typo in my zip code! It's all fixed now, so the wait begins anew.
