Some what reminiscent of the RotA set :) Also like seeing the Game Tile sets on the site. Good stuff Re:New Layout and Sets Posted by Harneloot - 2013/10/07 19:03 Except that there are some *hanging* graphics that are currently misplaced/covering pictures Re:New Layout and Sets Posted by thebigteacher - 2013/10/07 22:07 Mine are weird as well......
