

## Anyone Play Stargate w/Sci-fi & fantasy? Looking for Pic

Hey everyone. I'm new to the forum. I have amassed a nice sci-fi setup over the past few months. I just bought a bunch of fantasy line and got them in yesterday. Love it. :lol:

I want to see if anyone is using the sci-fi and fantasy lines to run Stargate RPG? I found some Jaffa like minis from a British mini maker, but they got shut down due to copy right infringements. Glad I got mine before they go caught. I know the Goa'uld use a lot of gold in their designs...not silver. But close enough for me.

Anyway, looking to get some good cross sci-fi/fantasy ideas.

I will post my pics as we play.

SgProdigy,

Howdy, and Welcome... I Have not played the SG game as yet... (Plenty of untried games on that list.....)

There was some Discussion a while back about some of the Hirst Arts stuff that could be used to Create a Star Gate... Seems I saw another "Ring Portal" kind of thing recently as well...
