almost done painting but had to build Posted by dungeonmastermark - 2013/10/31 15:42
Been painting non stop for the last week sigh almost half way done these pieces are painted and sealed in a matte finish. but had the urge to start buildingso here we go.

Looks great! Where did you get the miniature in the last picture?
Thanks! -Fizz

## **Dwarven Forge - Dwarven Forge**

nice work....

Generated: 10 March, 2014, 05:14 Pipe Organ can be had from Yansolo on ebay...think its a thomarillion piece? http://stores.ebay.com/Yansolo-Minis Demon idol is from Otherworld Miniatures in the UK http://otherworldminiatures.co.uk/shop/demons-devils/dd1-the-demon-idol/ Re:almost done painting.... but had to build.... Posted by dungeonmastermark - 2013/10/31 21:24 The organ is a thomarillion piece ... I bought mine from a gent on the hirst arts forum... if you want email me and i will send you the link (onelongaddress@gmail.com) Re:almost done painting.... but had to build.... Posted by Arcarius2001 - 2013/11/01 22:45 Great job Mark. I haven't even started painting my sets yet. Since you're almost finished and do such
