## Dwarven Forge @ outlets versus direct sales? Dwarven Forge @ outlets versus direct sales? Posted by TheDungeonDelver - 2005/06/17 18:45 Hey Jeff, Can you answer a question for me? Is the future of Dwarven Forge headed towards direct-sales through DF at the website only? I ask because I'm considering opening an on-line retail business and would like to include DF in my inventory, but I'm not sure what lies further down the road.

I also totally understand if you can't or don't want to discuss this "out in the open".

Thanks in advance!
