

Coupon Code?

Posted by Guest - 2004/07/22 06:26

Hey Dwarven Forge!

I just got the Sci-Fi sets (one of each) and I love them!

One question, in each set, I got a slip of paper with the Dwarven Forge logo and an "Internet Preferred Customer Coupon Code".

It looks good, but I'm not sure where or how to use them.

I'm assuming I'd use them at the online store here at Dwarven Forge. Any tips?

Again, love the scenery. Looking forward to future releases!

Does it Have a "Code" or is it a Packing List With a Place Where a "Code" would have been Printed had a Coupon been Used? I Do not have an Answer for you by the way I am Just Curious... And May I Suggest Sending an E-Mail to the Customer Support Link... They Have Been Great about Responding...

We will be launching a coupon during the Xmas season, so please keep your code handy. It will get you free shipping or an extra piece. More details later.
