

SE Michigan: split an order of RotA?

Posted by cbecker - 2009/01/24 11:36

I'm not a frequent poster here but I wondered if anyone in SE Michigan wanted to split an order of RotA sets. I'm only ordering 1 or 2 sets but if anyone wanted to join me on a bigger order, we could split up the bonus pieces. I don't mind either buying all the sets up front or driving to your place to pick up my part of the order. Why go to all this trouble? Really, I thought it would be a nice way to meet some of you face to face (even if only for a few minutes) and as a bonus somebody could take advantage of a large order to get some of the limited bonus pieces. Most of the posters here have probably already put their orders in, but I thought I would try in case anyone -- like me -- is working out their plans at the last minute.

Take care,
Christopher

Ack! I just placed my order a little over an hour ago, and just now saw this thread! I live in Byron Center, just south of Grand Rapids.

Oh, well, I'd be happy to have you over some time anyway - always good to meet another Forum Fanatic.

Kradlo, thanks anyway. Michigan being Michigan I don't think I'll be able to afford as many preorder sets as I want this time around. But maybe next time. Or I can make it by when the weather turns nice to check out that smoker you mentioned a while ago. Enjoy your sets when they arrive!

Checker (are you Chubby?), I'd be happy to barbecue ribs for any Forum Fanatic.

I'll remember you when ROT2 is available, and/or the Advanced Builder 2. Hopefully I'll still be solvent when they roll around.

That sounds like an event for DwarvenForgeCon -- the Saturday night smoker/barbecue by Kradlo.

BYOB.

THAT sounds like an excuse for me to drag the boxes out from under the Train table and DO something, jack!

NOW, here's the \$64K question: I can't grill for CENSORED, can you? I mean, I don't even HAVE a grill! They took my grill away from me and handed me a cell phone and a Pizza Hut menu!!

We might just need to get a crew together SOMEWHERE between Baltimore and NoVA and go a-venturing amidst the spare ribs or whatever?

Unless you just want to drag some folks up to Shore Leave in July? I'll be there anyway, and since I'll have a room (working Security), I can drag some DF along this time (you tell me what genre, so I don't have to haul all 30+ boxes, okay?).
