| Heh heh heh:)  |
| Oh, it's only two more days. My local gaming store gives a discount, I've had to pay full price for the stuff I've gotten. If it's any comfort, I'm just as anxious for the street date as you, so I can get a bunch more at a better price! |

| I guess i will just have to be thankfull that i get to go to one of the release Tournies and if i do as good as i did last time i will score 2nd place Got me an Extra Wampa and Tarkin out of that game comes out tommorrow weeeeeeee       |
| And finally finished painting all of the Grendal and other pieces that i have for Sci fi to drop into a new set up with the new CS minis and may even have gotten the rest to do a bigger set up   |

| Law,   |
| The New SW Minis look just as Kewl in the Garden as the DF Did Kinda Naboo-esque perhaps?  |
| Ghengis Ska,   |
| I look forward to seeing the Painted Grendal Stuff   |
