Need Sci-Fi Sets- Will Pay Well Posted by Sorn - 2012/01/03 20:10
Do any of you have any Dwarven Forge Alpha or Beta sets that you would consider selling?
I am willing to pay twice their original retail price for them - i.e., $$89x2=178 for each Beta set and $$59*2=118 for each Alpha set.
Let me know. I would prefer to purchase them from someone in the US, if possible. I am interested in buying multiple copies of each.
Perhaps this is a good way for those of you who no longer use their sci-fi stuff to get quick cash to buy some of the new DF sets coming out later this year?
Thanks!

Email me at jls304 "at" hotmail.com and we can work something out. I have multiple copies of each of those sets.
