Messing around with DoE sets and camera Posted by jericho - 2012/03/28 22:11	
I threw together a DoE dungeon to play around with some camera tips that Kronos gave me. http://www.dwarvenforge.com/images/fbfiles/images/DOE_lich.JPG http://www.dwarvenforge.com/images/fbfiles/images/DOE_skellies.JPG http://www.dwarvenforge.com/images/fbfiles/images/DOE_winged_fiend_2.JPG http://www.dwarvenforge.com/images/fbfiles/images/DoE_Curtain.JPG http://www.dwarvenforge.com/images/fbfiles/images/DOE_beholder_lich_2.JPG http://www.dwarvenforge.com/images/fbfiles/images/DoE_Zombies.JPG http://www.dwarvenforge.com/images/fbfiles/images/Doe_mummy_2.JPG http://www.dwarvenforge.com/images/fbfiles/images/DoE_Sinspwn.JPG http://www.dwarvenforge.com/images/fbfiles/images/DoE_carnage.JPG

I really like the visual appeal of the two fountains you obtained by using the different aperature and le recommended.	ens
Now we need to have a "Battle of the Pics" event!
