Dungeon Accessories - WIP - The painting rush Posted by Ninthgoose - 2012/07/03 06:42
]Well our gaming club runs an annual show called Gauntlet. The first full weekend in July. So this year its the 7th and 8th.
And this year I am doing a bit fantasy dungeon bash, using my DF collection. Two days of simple D20 gaming loosely based upon version 3. And I mean simple basic 6 stats, hit points and basic abilities for each class,, harking back to the original D&D
Its a participation game where folks visiting are welcome to play, so hence the need to keep it simple.
So I have been franticly painting up a few accessories to populate the dungoen and here are a few WIP shots as it comes along.
