MUUUUUU IUUUU	rv Ideas!	Accessory
---------------	-----------	-----------

Posted by Crimson_King_of_the_Tower - 2013/09/07 15:05

Hello all it's been a while since I've made a post and since our Game Tiles will be arriving soon I was thinking about working on some more sculpts for them and was wondering if anyone had any ideas for some accessories they might like to see or have thought about that might not be out there. Can't wait till October!
